

## Stratecast Deliverables to Date and Research in Progress

### Analysis Services

Big Data and Analytics (BDA)

Business Communication Services (BCS)

Cloud Computing (CC)

Connected Home (CH)

Consumer Communication Services (CCS)

Cybersecurity

Mobility and Wireless (M&W)

Operations, Orchestration, Data Analytics & Monetization Global Competitive Strategies (OSSCS)

Secure Networking (SN)

Stratecast Perspectives & Insight for Executives (SPIE)

<https://twitter.com/stratecast>

<http://www.youtube.com/user/Stratecast>

### ***Key Stratecast Attributes:***

- Intimate interaction with senior, heavily industry experienced industry analysts
- Multi analyst collaboration ingrained in Stratecast's culture (IE: OSS/BSS analysts collaborate with convergence analysts and professional services analysts, etc)
- Industry thought leadership and executive think tank approaches to analysis
- ...and more
