

# Accelerating the Transformation to Manufacturing 4.0

June 11 - 13, 2018 | Hyatt Regency Huntington Beach Resort and Spa | Huntington Beach, CA

14th Annual

## Manufacturing Leadership Summit

*Featuring the 2018 Manufacturing Leadership Awards Gala*

THE MANUFACTURING LEADERSHIP COUNCIL

## WHY YOU MUST ATTEND

- 1. Develop New Leadership Playbook For Manufacturing 4.0:** Be prepared for the future state of manufacturing where new rules of leadership will prevail. Gain applicable insights into successful employee engagement for a new generation.
- 2. Access Innovative Ideas and Emerging Trends:** Feel the pulse of the manufacturing state of business while gathering ideas of the future technologies, trends and user expectations. Find solutions to real business problems by interacting with your peers and gaining a view into the future of manufacturing.
- 3. Plan for the Future State:** Success today depends upon a deft marriage of new business models and game-changing technologies. Get inspiration and imagine highly intelligent, agile information-driven factories and dynamic teams that can respond rapidly to change.
- 4. Learn Through Collaboration:** The culture of the Summit has been described as “welcoming, engaged and passionate”. Benefit from the intimate setting of the Summit, which inspires openness and sharing about the strengths and opportunities on others’ journey so far.

## AN INTERACTIVE EXPERIENCE LIKE NO OTHER

**Collaborate, Collaborate, Collaborate:** Share best practices and philosophies with like-minded leaders, learning what’s working for them, why is it working and how it can work for you.

**Relax, Have Fun and Make New Friends:** Build the foundation for long-lasting relationships with world-class manufacturing professionals. Keep your contact list building and engines at high rev, while enjoying unique networking events throughout the program!

**Stay Ahead of the Technology Curve:** Meet with top manufacturing technology innovators and take advantage of their services to improve your bottom line.

## LOCATION, LOCATION, LOCATION

### Hyatt Huntington Beach Resort & Spa

Discover the most relaxing oasis in Southern California while contemporary, Spanish-style architecture sets the scene for a memorable retreat when you stay at this resort and hotel in Huntington Beach.

## EXECUTIVE PROFILE/WHO WILL PARTICIPATE

\*please note this profile is based on past ML Summit events.

Executives seeking to learn, benchmark and share best practices in manufacturing excellence and innovation, including CEO, COO, CIO, Vice Presidents and Directors of:

- Engineering
- Innovation
- IT
- Manufacturing
- Operational Excellence
- Operations
- Production & Design
- R&D
- Supply Chain

## WHAT YOUR PEERS ARE SAYING

“The Manufacturing Leadership Summit is a very professionally done event and is a valuable use of any Manufacturing Leader’s time. All talks, presentations, working sessions and panels were well done and informative. The focus on Manufacturing 4.0 is appropriate and timely in today’s fast moving ever changing world.”

– Vice President of Operations,  
The Dow Chemical Company

“The Manufacturing Leadership Summit was very enlightening. The topics were relevant and exceeded my expectations. It was time well spent for our team. The opportunity to interact with industry leaders and companies was very beneficial. Well done!”

– Vice President of Manufacturing,  
Sargento Foods Inc.

## ABOUT THE MANUFACTURING LEADERSHIP COUNCIL

The Manufacturing Leadership Council, part of Frost & Sullivan, offers an integrated portfolio of leadership networking, information and professional development products, programs, and services for industrial executives worldwide. Our mission is to help senior executives define and shape a better future for themselves, their organizations and the industry at large. MLC’s portfolio consists of the Manufacturing Leadership Council, an invitation-only executive organization; the annual Manufacturing Leadership Summit; the Manufacturing Leadership Awards program; and the *Manufacturing Leadership Journal*. For more information, visit us at: [www.gilcommunity.com/about-us](http://www.gilcommunity.com/about-us)

---

“A good opportunity to **network** with various industrial leaders with different perspective with **common business problems** in manufacturing.” – Associate Director, MERCK AND CO. INC. | “There were 2-3 common themes that would **apply to my company directly** and I have communicated those themes to our teams for inclusion into our Manufacturing 4.0 plans and discussions.” – Director, Global Operations, FLEXTRONICS | “Great way to connect and learn more about **new technologies** in manufacturing.” – Business Application Manager, CLIF BAR & COMPANY | “As I learn more and more about the **Manufacturing Leadership Council** opportunities the more **impressed** I am with the potential **benefits**. It is great to talk to others in the industry about similar challenges and all working towards a **common goal** of the continued and future success of manufacturing.” – Director of Manufacturing Systems, SARGENTO FOODS | “For me personally, I was able to make connections I would not have had otherwise. I also learned latest **best practices** in Manufacturing, which was interesting even though my core discipline is in operations.” – Director, Proactive Service Management, LEXMARK INTERNATIONAL | “The **greatest value** of the summit is the cross-section of companies in attendance. From the largest to the smallest the information sharing is deep and meaningful.” – Director of Supply Chain, CONFORT RESEARCH LLC

# UPDATE YOUR BUSINESS PLAYBOOK WITH THE MANUFACTURING LEADERSHIP SUMMIT EXECUTIVE CHRONICLES

## THE BENEFITS OF THIS DIGITAL EBOOK ARE NUMEROUS:

- ✓ **BENEFIT FROM ALL SESSION SUMMARIES** These are not transcripts, but actual summaries focused on key observations and take-aways, featuring tactics and strategies for immediate implementation.
- ✓ **VIDEO ACCESS TO THE EVENT KEYNOTES** Watch and learn from the lessons shared by event keynote speakers—these industry experts present case studies, lessons learned and provide invaluable thought leadership and inspiration for senior executives.
- ✓ **TAKE THE EVENT HOME** to your colleagues who were unable to attend—and you'll have key questions and answers, best practices, tactics and strategies that worked—and those that didn't—right at your fingertips!
- ✓ **THE ENTIRE EVENT** is catalogued and searchable so you can find what you are looking for fast. Why waste valuable time looking when you could be learning?
- ✓ **STAY CONNECTED** Take advantage of the ability to review all those great ideas you want to implement after the event and get info about expert presenters to follow up with. Grow your professional network and guarantee your own ROI for years to come.
- ✓ **CAPTURE THE HIDDEN AGENDA** Gauge where you are among your peers through on site surveys that identify industry benchmarks and question and answer sessions that go outside the pre-planned content.
- ✓ **SAVINGS** As an event participant, you'll save up to \$300.

## PRICING:

The **Manufacturing Leadership Summit Executive Chronicles** are now available for purchase. Please note that savings applies when purchased on-site!

### Participant Pricing:

Included with Council Membership\*

Participant pre-event \$395 | Participant post-event \$495
